Media and Technology

Tech Savvy Streamers

Tech Savvy Streamers are confident with new technology, and streaming is a large part of their media consumption. As consumers, they prefer to buy products produced domestically whenever they can. They care relatively little for a personalized style to their products, having the newest products or watching traditional TV. They are predominantly young and female. They are highly susceptible to fancy packaging, but still price sensitive.

Population (% of Canadians)	3,944,000 (12%)
Gender	F: 60% M: 40%
Average Age	36
Average HHI	\$89,434
Bachelor's Degree +	40%
MOPEs	29%

Bachelor's Degree +	41%
MOPEs	32%
Presence of Children in Household	49%

Tradionalists

Traditionalists are old-fashioned when it comes to their media and purchasing preferences. They prefer cheaper, older goods produced domestically and watching live TV. However, they are confident with new technology, having adopted streaming services to listen to music. They care little for new products, style, design, personalization, and fancy packaging. They tend to be older with a fairly even split between males and females.

Population (% of Canadians)	8,811,000 (27%)
