MEDIA AND TECHNOLOGY SEGMENTS

% of Canadian Adults:

TRADITIONALISTS	Traditionalists are old-fashioned when it comes to their media and purchasing preferences.	27%
CONFORMISTS	While Conformists rely on TV to get news and information, they are attempting to adapt to new media and technology.	25%
EARLY ADOPTERS	Early Adopters have a strong appetite for new technology/products and prefer quality over style.	23%
LAGGARDS	Streaming and new media has not affected Laggards to the extent as it has others, particularly their radio listening habits.	14%
TECH SAVVY STREAMERS	Tech Savvy Streamers are confident with new technology, and streaming is a large part of their media consumption.	12%

TRUST IN NEWS

Over 7 in 10 Canadians catch up on the news at least once a day, with older generations the most likely to stay up-to-date on a regular basis.

How often Canadians catch up on the news, 18+:

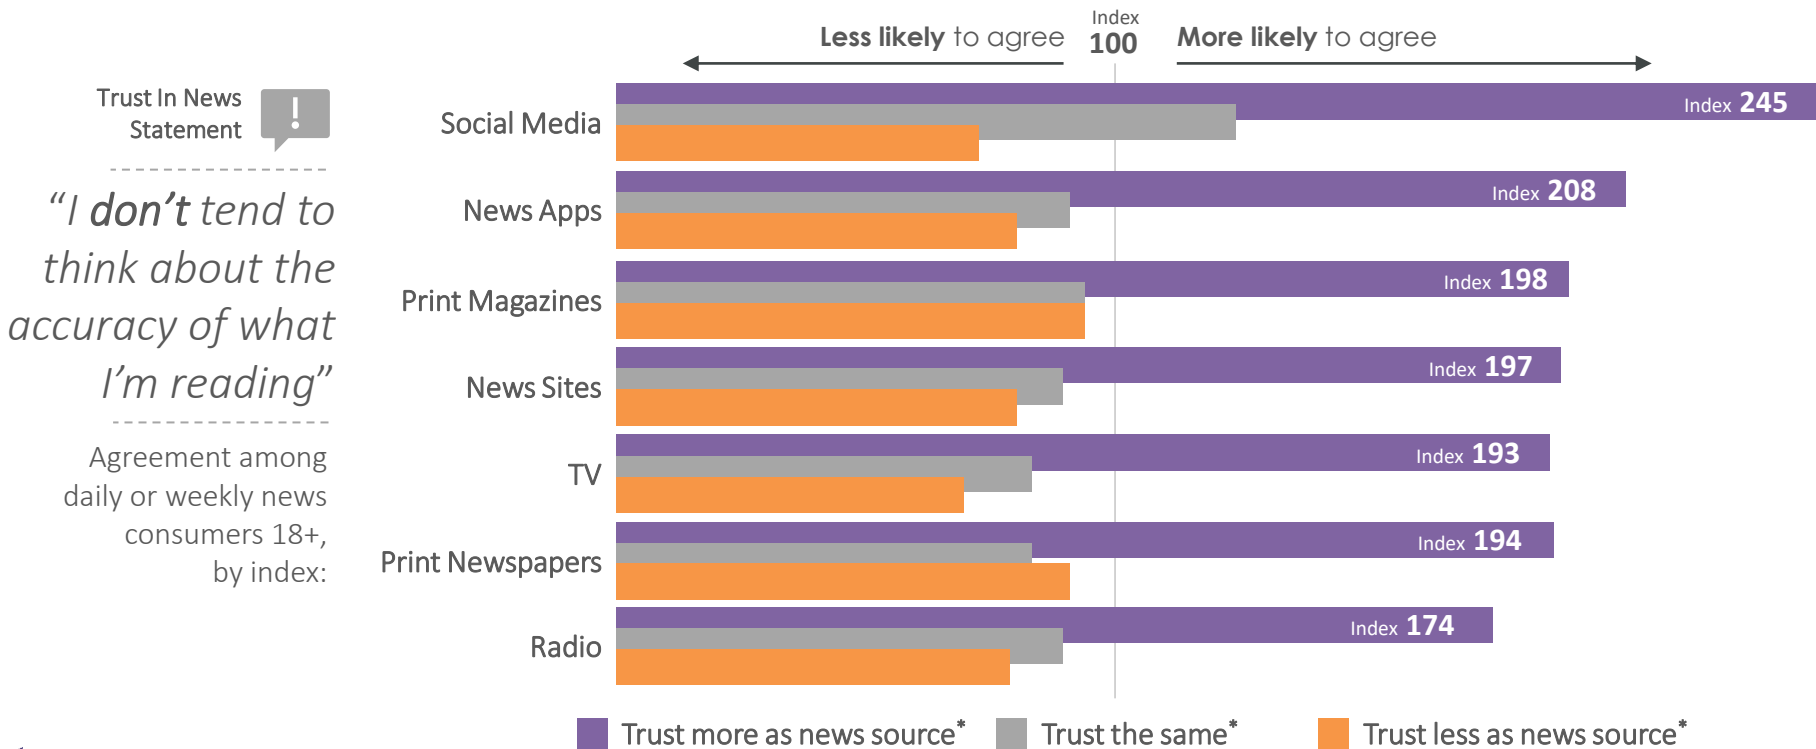

While most Canadians that regularly catch up on news still have trust in the news they consume, **2 in 3** feel news on social media has become less trustworthy.

Change in trust in news* among Canadians 18+ that consumer news at least weekly, by media:

Canadians that said they have more or the same trust in social media as a news source are also the **most likely** to take the news they're consuming as factual.

Younger Canadians are more likely to see social media as a trustworthy news source, while also being skeptical of the importance and accuracy of news sources.

Daily or weekly news consumers 18+ that felt their trust in social media as a news source changed:*
